pending_crim_trial_latest_purpose	Latest purpose name of the pending criminal trial case	Text	-	Not Clear/Not Available
purpose_classification_level_1	Level 1 classification of the purpose of hearing. This classification applies to all the cases irrespective of the case type and disposal nature	Text	-	Appearance

purpose_classification_level_2	Level 2 (broader) classification of the purpose of hearing. This classification applies to all the cases irrespective of the case type and disposal nature	Text	-	Appearance, Summons & Warrants
--------------------------------	--	------	---	--------------------------------

Act/Section Details

Data from two files must be combined to get a case's Act and section details.

Case Acts

File Title: case_acts.csv

The list of variables is as follows:

Field	Description	Data Type	Format	Sample
cino	CNR Number of a case.	Text	-	ASKR010000 282022
act	Act and Section ID	Categorical	-	1

All Acts and Sections

File Title: act.csv

The list of variables is as follows:

Field	Description	Data Type	Format	Sample
-------	-------------	-----------	--------	--------

id	Act-Section ID	Text	-	1
name	Act Name	Text	-	Indian Penal Code
section	Section Name	Text	-	143
name_updated	Act Name (Standardised)	Categorical	-	Indian Penal Code (IPC), 1860

This file contains details about the acts associated with each case. Use the unique identifier(act) from the **case_acts** file to retrieve act-section details for a particular case.

Transfer

File Title: **case_transfer.csv**

The list of variables is as follows:

Field	Description	Data Type	Format	Sample
cino	CNR Number of a case.	Text	-	ASKR0100044 02020
date	Date transferred	Date	YYYY-MM-DD	2020-09-03
from_court_no	Court number from which the case was transferred	Number	-	1
from_judge	Judge designation from whom the case was transferred	Text	-	District and Sessions Judge
to_court_no	Court number to which the case was transferred	Number	-	2

to_judge	Judge designation to whom the case was transferred	Text	-	Additional District and Sessions Judge
----------	--	------	---	--
